Oak Wood Drive Project

Your Dream Plot Amidst Nature

Oak Wood Drive Project overview

Sakleshpur's Premier Residential Destination

- Roads: Wide, asphalted internal roads for easy navigation and modern living.
- Drainage System: Well-planned stormwater drainage for a clean and sustainable community.
- Street Lighting: Solar-powered LED streetlights for energy efficiency.
- Water Supply: 24/7 potable water for each plot, ensuring convenience.
- Electrical Grid: Underground cabling for enhanced safety and aesthetics.

Why Oak Wood Drive?

A Smart Investment

- Plots with high resale value owing to Sakleshpur's increasing popularity as a nature-centric retreat.
- Fully developed plots ready for construction with all permits in place.

Your Perfect Home, Delivered Turnkey

- Pre-designed pitched-roof homes, blending contemporary and traditional aesthetics.
- Efficient layouts maximizing space and comfort.

Eco-Friendly Commitment

- Conservation of natural topography with abundant green spaces and sustainable practices.
